Commander Nathan F. Asher  
Inspector of Navy Material  
Department of the Navy  
St. Louis, Missouri

Dear Commander Asher:

I read with much interest the comments you provided on your exit interview concerning criticisms of our war planning. This Agency derives considerable benefit from having Military officers like yourself serve a tour with us, and we are always receptive to and appreciative of constructive suggestions.

I wish you every success in your new assignment.

Sincerely,

C. P. Cabell  
General, USAF  
Deputy Director
